Title: Pssst... They're taking requests for 2026 NTMN New Class Project Ideas

When? Now is good! However, the deadline is December 1, 2025

Where? "Any project that needs a group of dedicated trainees. "

Who Ya Gonna Call? Steve Lievsay slievsay@gmail.com , Charlie Marshall Charlie.t.marhall@outlook.com , Erin Molett erinmolett2@gmail.com

What is he talking about? The New Class Committee is looking for a few good projects for the 2026 Trainee Class. If you have a project that needs some eager hands, we have a pool of trainees who are wanting to learn. The project should have a defined scope so that the trainees will know what is expected. In the past the projects have all started in the Spring, but this year if you have something that needs to wait until the fall, those will also be considered.

How, How, How, you Ask? Email a short description of your awesome Project idea to Steve Lievsay – slievsay@gmail.com and we will get a copy of the 2026 training class projects template to you.

Report hours to VH: YES! New Class Projects are eligible for Volunteer Hours.

Example: The 2024 Twelve Hills Prairie Restoration <https://youtu.be/OMtutzt8QPw>

Membership, AT & VH - Reminders and FAQs

-*AT and VH must be entered within 45 days of service.* Trouble logging into the TPWD website? Email: membership@ntmn.org

-Changes in contact information? Email: membership@ntmn.org

-Do you have a potential AT event that you would like approved and added to the calendar? Do you need to know if something counts for AT? Email: advtraining@ntmn.org

-Do you have a potential new project for the chapter? Questions about what counts as VH? Email: activities@ntmn.org
